

Salmon Creek Wastewater Treatment Plant Neighborhood Open House

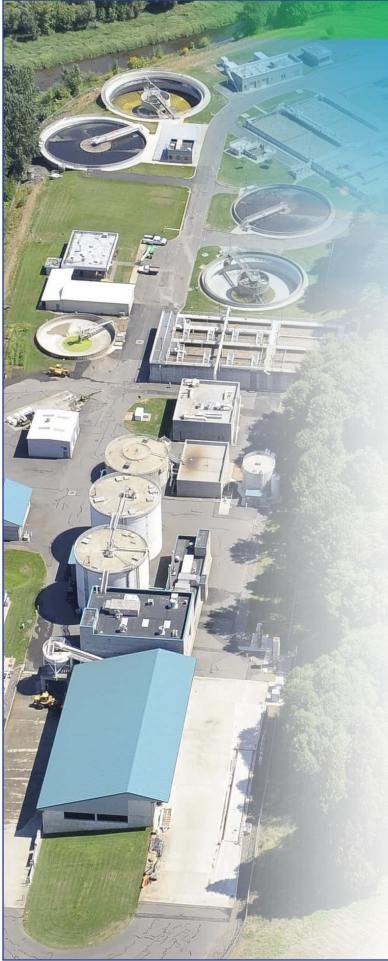

Tuesday June 5th, 6–7:30 p.m.
15100 Northwest McCann Road
Vancouver, WA 98685

Join us to learn about your local wastewater treatment facility. Come, meet and get to know staff from Clark Regional Wastewater District and the County, and ask us questions about the facility operations and planned future improvements.

The open house is an informal, drop-in style event. At the meeting, you will have the opportunity to view informational displays and talk with staff at your leisure. We'll also provide the opportunity to take part in guided walking tours of the facility at 6:10, 6:30 and 6:50 p.m. If you'd like to participate in a facility tour, please dress for the weather in comfortable clothing and sturdy footwear and bring an umbrella if it's raining.

We hope to see you there!

To RSVP for the event or ask questions, contact Adrienne DeDonna at (360) 903-4792 or Adrienne@jla.us.com. For more information, visit www.discoverycwa.org/SCWWTP.htm
